Re: Remedial Action Starts for Landfills LF-022 & LF-023  
Plattsburgh Air Force Base, NY

Dear Mr. Rascoe:

EPA considers a remedial action start at facilities such as Plattsburgh Air Force Base to be the date a contract is awarded for a remedial action. Information requirements of EPA are the date a contract is awarded for an RA and to what contractor. Accordingly, EPA would appreciate Plattsburgh AFB transmitting this information regarding LF-022 & LF-023 to this office at your earliest convenience.

If you have any questions regarding the above, please call me at (212) 264-8775.

Sincerely yours,

William A. Roach, P.E., Project Manager
